June 2009

From the Helm

I would like to thank the membership for a wonderful sail past on Sunday. The weather turned out better than expected and it was terrific seeing so many boats out. A special thanks to Sherene Hrnair for the blessing and to Skeena for making the ceremonies such a success. The new flag pole has been erected and the forms for the shelter have been poured. A lot of effort has been put into these endeavours by a hard working group of members that I would like to recognize in this newsletter. Thanks to John and Darren Shaw, Orn Haraldsson and Steve Rhines for their work on the shelter and Andy Geekie and Stuart Mill for their work on the flag pole. A great job.

The Centennial Cup Race will be held this Saturday June 13th 2009. The race will start in Cobourg, assisted by the Baron and will finish in Port Hope. We need all the boats that we can muster in order to keep the hockey stick in Cobourg, so lets all get out there and work together to keep the Cup at home. There will be a BBQ at the Port Hope Yacht Club after the race.

This years Tubby Graham Race to Newcastle and back will be held June 20th & 21st . The Newcastle marina / Yacht Club will supply us with a gas BBQ, so bring your own meat and a salad for the pot luck. The skipper's meeting is at 9:15 a.m. and the race starts at 10:00 a.m. with a 5 hour limit. I hope to see everyone there for a fun weekend.

We had a great turnout for the May 30th work party and great deal was accomplished. Good job ! I apologize for not having any pictures of the ladies that worked so hard on the interior of the club. Thank you all.
